

Veeresh M R

✉ veeresh@email.com  github.com/Veeresh-MR Bengaluru, India

Professional Summary

Computer Science undergraduate and Full-Stack Developer with experience building real-world web and mobile products. Comfortable working across frontend, APIs, databases, and deployment. Can work independently or as part of a team.

Core Strengths

- Build complete products from idea to deployment
- Solve problems calmly and practically
- Work effectively both solo and in teams
- Focus on real user and business needs
- Adapt quickly to new tools and requirements

Technical Skills

Languages: Java, JavaScript, Dart, C, Python (Basic)

Frontend: React, Next.js, Flutter, Three.js

Backend / APIs: Node.js, Express.js

Databases: MongoDB, Supabase

Tools: Git, GitHub, Linux, REST APIs, Deployment

Selected Projects

Pragathi Dental Care – Clinic Website (Paid Client)

Live

pragathi-dental-care.onrender.com

- Developed a production-ready clinic website for a real client; delivered as a paid project (**INR 30,000**).
- Built responsive frontend and integrated APIs to support clinic content and user interactions.

Royal Pets – Pet E-Commerce Website

Live

find-royal-pets.vercel.app

- Built and deployed a pet-buying platform using React, Next.js, Node.js, and MongoDB.
- Implemented authentication, product listings, and API-based data handling.

NEET / JEE Learning App

In Progress

- Developing a Flutter-based app for students with login and backend support.
- Added a chatbot feature to assist users with questions and learning.

Personal Portfolio Website

- Creating a portfolio website to showcase projects, live demos, and client work.

Experience

Independent Full-Stack Developer

2026 – Present

- Built and deployed web and mobile applications for real users.
- Delivered paid client projects and maintained live deployments.
- Comfortable handling projects independently or collaborating in teams.

Education

Bachelor of Engineering in Computer Science

MS Ramaiah Institute of Technology (MSRIT), Bengaluru

2026 – Present

Personal Edge

I take responsibility for my work, finish what I start, and learn fast when required.
